

Multiple-Use Permission Folder

Name _____ Troop # _____
 Address _____
 City _____ Zip _____
 Phone Number _____
 Parent/Guardian Name _____

I understand that a Girl Scout must have parent/guardian permission to participate in Girl Scout activities away from her usual meeting place. This permission folder will be sent to me prior to each event and must be returned to the leader in each instance. This record remains with the leader at all times. Parent/guardian signature indicates permission is given for the event indicated. I understand that every effort will be made to contact me in the event of an emergency. However, if I cannot be reached, I authorize the adult in charge to secure appropriate emergency treatment. I have completed pertinent health history information on her registration form and will provide updated information as needed.

Parent/Guardian Signature _____ Date _____

Please update health information adults should know on the back of this form.

Note any changes to health information or things that the adult in charge may need to know to facilitate a safe and happy experience for your Girl Scout.
